Relevant Experience

The Fordam Ram | Bronx, NY

News Editor

June 2025 — Present

- Create the weekly article budget; communicate with writers and offer help with their articles.
- Design three to four pages of the newspaper; ensure that production nights run smoothly by creating a clear editing and production process and assigning roles to different members of the news team.
- Communicate with other members of the news team and the editorial board to ensure we have enough articles every week and solve any problems that may arise.

Assistant News Editor

Jan. 2025 — June 2025

- Edit articles for content, grammar, and AP style.
- Write articles on a weekly basis on news topics, including campus and community events.
- Design newspaper spreads for weekly publication.

Contributing Writer

Aug. 2024 — Dec. 2024

- Write articles on a bi-weekly basis on topics including campus events, administrator profiles and community events.
- Interview professors, administrators, students and community members for a wide range of perspectives for articles.
- Take photos using an iPhone or a professional camera to accompany articles.

WFUV News 90.7 | News Reporter | Bronx, NY

Jan. 2025 — Present

- Report on local and national news, press conferences, and community events.
- Conduct MOS reporting, attend press conferences with Mayor Eric Adams and Governor Kathy Hochul and interview industry experts.
- Record and edit audio for the daily podcast using professional recording devices and ProTools.

Scot Scoop | Staff Writer | Belmont, CA

Aug. 2021 — June 2024

- Wrote 40 articles on topics including breaking news, community news, politics, and opinion.
- Won several awards for articles from organizations, including SNO Sites, California Press Women, and the National Student Press Association.
- Interviewed people via phone, email, social media platforms and in person.
- Filed a FOIA request for additional information on an article topic.

The Highlander | Editor | Belmont, CA

Aug. 2022 — June 2024

- Designed ten engaging magazine spreads using Adobe InDesign and Adobe Illustrator.
- Edited eight feature articles for content, grammar and AP style and worked with writers to ensure factual reporting.
- Led brainstorming sessions for magazine themes and editing sessions to guarantee quality standards were met.

The Daily Californian | Intern Staff Writer | Berkeley, CA

June 2022 — Aug. 2022 & June 2023 — Aug. 2023

- Wrote 10 articles, each in a 24-hour time frame, on topics including local businesses, state politics, and campus news.
- Conducted thorough research and interviews while maintaining content accuracy and timely delivery.
- Communicated with editors via email and phone to update them on article progress and issues.
